TRUE COLOURS

All (men in Harmony): You with the sad eyes, don't be discouraged,

Oh, I realise It's hard to take courage.

In a world full of people you can lose sight of it

And the darkness inside you makes you feel so small

Chorus

But I see your true colours shinin' through.

I see your true colours and that's why I love you.

So, don't be afraid to let them show.

Your true colours, true colours are beautiful like a rainbow.

Sops & Altos: Show me your smile then, don't be unhappy,

Can't remember when I last saw you laughing.

Men: If this world makes you crazy and you're takin' all you can bear,

All: just call me up because you know I'll be there.

Chorus

And I see your true colours shinin' through.

I see your true colours and that's why I love you.

So, don't be afraid to let them show,

Your true colours, true colours are beautiful, (**unison**) like a rainbow.

True colours, true colours.

True colours, true colours.

True colours, true colours.

True colours, true colours.

True colours, shinin' through.

I see your true colours and that's why I love you.

So, don't be afraid to let them show.

Your true colours, true colours, true colours, true colours, are beautiful like a rainbow

THE CLIMB

(All in Harm) I can almost see it, that dream I'm dreamin'.

But there's a voice inside my head sayin'.

"You'll never reach it." Ev'ry step I'm taking,

ev'ry move I make feels lost with no direction;

my faith is shakin', (Unison) but I, I gotta keep tryin'

Gotta keep my head held high.

Chorus

There's always gonna be another mountain.

I'm always gonna make it move.

Always gonna be an uphill battle.

Sometimes I'm gonna have to lose.

Ain't about how fast I get there,

Ain't about what's waiting on the other side.

It's the climb.

The struggles I'm facin'.the chances I'm takin'.

Sometimes might knock me down.

But no, I'm not breakin',

I may not know it, but these are the moments that

I'm gonna remember most, yeah,

Just gotta keep going.

And I, I gotta be strong.

Just keep pushing on.

Chorus

There's always gonna be another mountain.

I'm always gonna make it move.

Always gonna be an uphill battle.

Sometimes I'm gonna have to lose.

Ain't about how fast I get there,

Ain't about what's waiting on the other side.

It's the climb.

S & A There's always gonna be another mountain.

All: I'm always gonna make it move.

Always gonna be an uphill battle.

Sometimes I'm gonna have to lose.

Ain't about how fast I get there,

Ain't about what's waiting on the other side.

It's the climb.

Keep the faith, keep the faith, 'cause it's all about,

it's all about the climb!

THE WAYFARING STRANGER

Unison: I'm just a poor wayfaring stranger.

I'm trav'ling through this world of woe.

Yet there's no sickness, toil or danger

In that bright land to which I go

S&A: I know dark clouds will gather round me,

I know my way (**Men echo:** I know my way)

All: is rough and steep.

Yet golden fields lie just before me

where the redeemed shall ever sleep.

I'm going there to see my mother.

I'm going there, no more to roam.

Sops: I'm only going over Jordan, I'm only going over home.

(A&M Underneath) I am going home--- go—ing home----I'm only go-ing home.

To that good land. I want to shout, shout, shout salvation's story

FIX YOU

All in Unison: When you try your best but you don't succeed,
When you get what you want, but not what you need,
When you feel so tired but you can't sleep,
Stuck in reverse.

All in Unison And the tears come streaming down your face,
When you lose something you can't replace
When you love someone but it goes to waste,
Could it be worse?

Harmony: Lights will guide you home,
And ignite your bones.
I will try
to fix you.

All in Unison: And high up above or down below,
When you're too in love to let it go.
But if you never try, you'll never know
Just what you're worth.

Harmony: Lights will guide you home,
And ignite your bones.
I will try
to fix you.

(Coda)

Ooh, ooh, ah

And ignite your bones.
I will try
to fix you.
